ORLANDO, FL / ORIGINAL PUNK ROCK

FAST. MELODIC. POLITICAL. IRREVERENT.

EFFIT is a four-piece punk rock band from Orlando, Florida, playing fast, melodic songs with political bite, big hooks, and an irreverent sense of humor. Built by longtime Florida-scene musicians, EFFIT brings sharp social commentary and energetic original punk to stages across the state, including Sanford's Hurricane Party Music Festival and bills with established punk and ska acts.
